FAQs

Can I change my meal plan?
Students can change meal plans as many times as they want until the week prior to move-in weekend. After move-in weekend, students can request one change through the published deadlines, which correspond with the last day to register or add courses. Fall 2017 - September 12 and Spring 2018 - February 19.

How can I add points?
It’s easy! You can reload points any time throughout the semester by visiting www.udel.edu/dining. Points rollover from fall to spring semester but expire after the final day of spring semester.

What is the most popular meal plan?
There isn’t one! The default plan is the 12 Weekly Plan; however, we offer a variety of plans to fit every appetite.

Can I view menus before entering the residential dining halls?
Yes! Daily menus for every residential dining hall can be viewed at www.udel.edu/dining. You can also view menus on the go by downloading the CampusDish app on your smartphone.
