TOOLS TO THRIVE
Our team of culinary and nutrition experts are dedicated to delivering well-balanced nutrition, specialized diet options, and complete menu transparency—because you have enough to worry about.

ALL FOR YOU
Your satisfaction is our highest priority. Through creating a student-focused culture personalized with special events, tastings, themed menus, and cooking demos, we foster a connected campus community.
College can be demanding, so your meal plan should be effortless and on your schedule.

**ORDER AHEAD**
Grubhub’s campus dining feature lets you order ahead from on-camps restaurants with your meal plan. Instead of waiting in line, order through the Grubhub app and pick up your food.

**COOK AT HOME**
You can eat on campus and cook at home with Home Chef. Purchase digital vouchers to redeem for fresh, weekly meal kits, sent to your campus address.

**SPECIAL EVENTS**
Our calendar is always bursting with student-focused events that bring the campus community together.

**SUSTAINABILITY**
We strive to minimize our environmental impact and create opportunities for students to join in our efforts. Visit www.udel.edu/dining/sustainability to see how we’re working to make our campus more environmentally conscious.

**NUTRITION**
Our chefs and registered dietitian are trained and eager to assist with any dietary restrictions or concerns each student may have. You can connect with Debbi Miller, R.D., L.D.N., by email at dml@udel.edu or by phone at 302-831-1008.

**ON-THE-GO**
We know the struggle of balancing everything and getting a good meal. That’s why we offer the best quality and convenience in our dining locations, national brands, and markets.

**FOOD DELIVERED**
Good Uncle is a food app that delivers quality food fast on and off-campus. They combine innovative technology and culinary genius to deliver fresh, nutritious meals around your busy schedule.

Students living off campus, in University Courtyard Apartments, graduate student and family housing are eligible for all voluntary and on-campus meal plans.
