FAQs

HOW CAN I ADD POINTS?

It's easy! You can reload points to your meal plan anytime throughout the semester by visiting UDSIS or www.udel.edu/diningrequest.

WHAT IS THE MOST POPULAR MEAL PLAN?

There isn't one! The default plan is the 14 Weekly; however, we offer a variety of plans to fit a range of schedules and eating habits. Find your fit at www.udel.edu/dining/mealplans.

WHAT'S THE DIFFERENCE BETWEEN POINTS AND FLEX?

Points are a part of your meal plan and is an accepted form of payment at all on-campus dining locations. All point purchases receive a 10% off discount. Flex is a university fund that can be used at all dining locations on-campus and additional places on campus i.e laundry printing etc.

Scan the QR code to download the Grubhub app & set up your account!

Grubhub is used for ordering ahead only. Students will pick up their orders at the dining location.

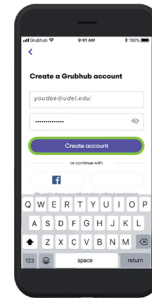

Your 10% discount will automatically come off when using your points in Grubhub.

Visit our dining website to see the full list of FAQs!

Our campus is mobile-only ordering & pick up through the Grubhub app or kiosk

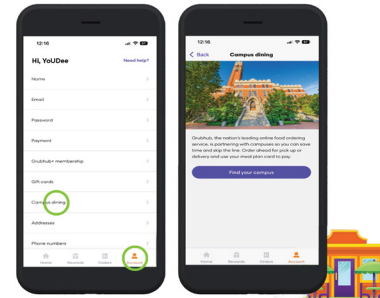

HERE'S HOW TO GET STARTED WITH THE GRUBHUB APP:

1

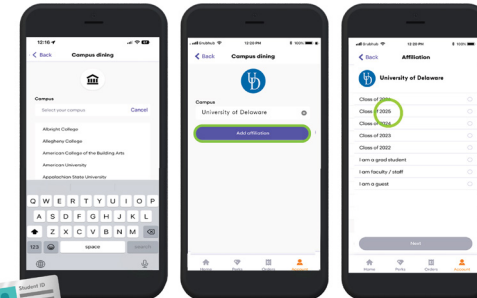

Download the Grubhub app and create a new account **using your UD email**.

Parts Of Your Meal Plan

MEAL SWIPES

Meals = access to dining halls

Meals are used to get into any of our all-you-care-to-eat residential dining halls, centrally-located CR Fresh Food Company, Russell Dining on East Campus and Pencader Dining on North Campus. Students swipe in at the entrance of the dining hall using a meal swipe at the checker stands.

DINING POINTS

One point = one dollar

Points are accepted at all food courts, coffee shops and markets throughout campus, and **you receive a 10% discount on any purchase made with points.**

MEAL EXCHANGE

While meals are designed to be used in the dining halls, students can “exchange” one meal swipe to use in most retail locations for specific combo meals. For example, using a meal exchange for dinner at Chick-fil-A for one sandwich, fries and a drink instead of using dining points. See map for all participating retail locations.

GUEST MEALS

Guest meals can be used to treat friends or family to a meal in the dining hall.
